

## Little Learners Newsletter

### 4<sup>th</sup> November 2016

Wow, there is just 6 weeks left of term! Thank you for your patience and understanding as you sign up for Parent Consultations and Christmas Nativities. We must stress that our Little Learners and their parents can only attend one performance. With 80 Little Learners attending throughout the week it is simply not possible to have them all on stage at once. We can welcome a maximum of 40 children at each performance. This ensures that all of our Little Learners can participate and enjoy our Christmas festivities. The songs are now published on our website and there is a letter for each Little Learner in Nursery with song words attached.

#### Parent Consultations

We would like to invite parents to catch up with your child's key person w/c 14<sup>th</sup> November 2016.

We hope you understand that our Nursery Crew can only be available at specified periods of time. Slots are allocated on a first come, first serve basis and sign-up sheets are in Nursery near the register.

**Wednesday 16<sup>th</sup> November** – Anna and Emily Poole

You will have an opportunity to look at your child's learning diary and make your own comments. If you are unable to attend, please ask your child's key person during that week to take your child's learning diary home.

Children are welcome to come along, but please note they will need to stay with you as Nursery will still be operating as usual during these times.

#### Football sessions

Our first football session was a great success. The sessions will be at 2.15pm on Tuesdays and will run for 6 weeks. If your child attends during this session please ensure they are wearing either trainers or daps to enable them to participate.

#### Tulip Photography

There are now afternoon appointments available for parents to sign up for their Little Learner to have their photo taken on Tuesday 29<sup>th</sup> November. Please see the sign-up sheet in the Nursery parent's area if you would like to make an appointment.

#### External Lighting

We are aware that it is a little dark and the end of the day at the Nursery gate now the winter season is well and truly upon us. We have appointed a contractor to carry out the installation of new lighting and the work is going to be carried out in the next couple of weeks.
