### Farm Link Day

St. Anne's @Hewish & @West Wick, together with Little Learners will be helping to raise money for 'FarmLink'. This is an amazing charity that has helped support the children from St Anne's for many years on trips to Lower Stock Farm, Holt Farm and Lye Cross Farm. Our Forest School is run each week for pupils of St Anne's and is funded by this charity. We

would like to give something back by joining many schools in our local area to 'Dress as a Farmer'. We suggest a donation of £1 to help raise money to enable us and many other schools to continue being offered free visits and tours. 'Dress as a Farmer' Day will take place next **Friday 21<sup>st</sup> October 2016**.

Little Learners will also be entering a competition to win a chance to win an incubator for a month, to watch eggs hatch and develop, by sending in a picture of our Little Learners dressed as farmers! The FarmLink trustees will pick a winning group of children and the winning school will get the chance to help name Farmer Nick's new Barn Owl.

### Lending Library

Please do encourage your children to borrow a book from the lending library on a regular basis. The books have just been rotated so there is a new selection for your children to choose from. We ask that each book is signed in and out to help us keep track of them. Thank you!
